

ERWA ACTIVITIES December/ 2012

IRAQI RED CRESCENT SOCIETY (IRCS) is a national society which is founded in 1932. As a humanitarian and national society IRCS aim to reduce the suffering of the civilians during the war and peace by the authority from the government.

Explosive Remnants of War Awareness (ERWA) programme is one of the programmes that IRCS implement, the programme aim to decrease accidents resulting from mines and UXOs by implementing an MRE campaigns in contaminated areas to carry out the civilian to adopt more secure behavior towards ERW.

ERWA program activities are implemented in (15) provinces in Iraq except the three northern provinces, The activities included implementation of (lectures, galleries, workshops, plays, etc), and distribution of ERWA materials like (posters, folders, snake and ladder, maze and T-shirts) during the implementation of the activities.

HQ Activities

- ERWA administrative officer has participated in a workshop on reporting in English language which has organized by IFRC on the period from 26 to 30/12/2012 in Erbil .

Positives

In general, ERWA programme is accepted by different categories as ERW are considered as a real threat that faces the population communities.

Future plans

1. Increase cooperation and coordination with the ministry of Environment / the directorate of mine action (DMA) , and the Civil Defence Directorates
2. Focus on performing activities of community liaison
